HAVE A JOYOUS EASTER!

Easter is a time of joy and hope of new beginnings. It is about God's resurrection, it's also about working to eliminate slavery, heal pain and hurt, break down hate and destruction...where we allow our faith and values to build community. We hope that Easter will gift you with all the reasons to celebrate and enjoy the resurrection of life.

The Community of St. John in Montana wish you many Easter blessings as you gather to celebrate the Risen Lord.
